

Annual Training Plan

WSASAS Funded Training

WSASAS will fund up to four (4) Training Sessions per year.

1. WSASAS will provide funding for materials, equipment and supplies required for each training session.
2. WSASAS will fund fuel expenses and lodging costs for the Vice Commander Training and or designated training personnel.
3. WSASAS members participating in the training will bear their own costs for fuel, lodging, etc.

Training Curriculum/Location

WSASAS Squadron members with identified training requirements will contact the Vice Commander Training. Working with the Vice Commander Training, the Squadron requesting the training will develop a training curriculum.

1. Squadrons adjacent to one another in Southern, Central and Northern California are encouraged to work together.
2. Squadrons requesting training will identify and agree on the training location

Development of Annual Training Calendar and Budget

Squadron training requests must be submitted to and worked out with the Vice Commander Training no later than December 31st of each year.

1. The Vice Commander Training, working with the requesting Squadron(s), will identify the best qualified person to provide the training and the costs associated with the requested training.
2. No later than January 31st of each year, the Vice Commander Training will submit to the WSASAS Executive Committee the training requests, the specifics associated with the training and the estimated cost.
3. No later than February 28th of each year, the WSASAS Executive Committee will review and approve the training budget as submitted by the Vice Commander Training.
4. In the event more than four (4) training events have been requested by the member Squadrons, The WSASAS Executive Committee will evaluate and prioritize the events limiting them to a total of four or less.
5. Upon approval of the annual WSASAS training calendar and budget, the information will be published.

Training Fee

In the event a requested training event is costly due to the nature of the training requested, the speaker, or the location venue, the WSASAS Executive Committee may assign a training fee not to exceed \$50.00.
